

# Tea and Life to Enjoy at Local Tea Farms

Shizuoka Prefecture is Japan's leading tea producer. With generations-old tradition of tea farming, the region offers not only tea tasting but also some innovative ways to discover the diversity of tea.

In this experience, you will learn about tea production, as well as how to prepare the best tea. You will also be introduced to an extraordinary way to enjoy some of the most premium tea and the exhilarating view of Mt. Fuji over rolling fields of green tea. Use all 5 senses!
